

Quick Reference Guide

Features

PA Lottery Play+ is a prepaid Discover® Card that provides players a fast and easy way to deposit and withdraw funds while playing online at palottery.com. The Pennsylvania Lottery branded prepaid card can also be used everywhere Discover® is accepted such as to purchase gas, groceries and Pennsylvania Lottery tickets at retail.

Players can:

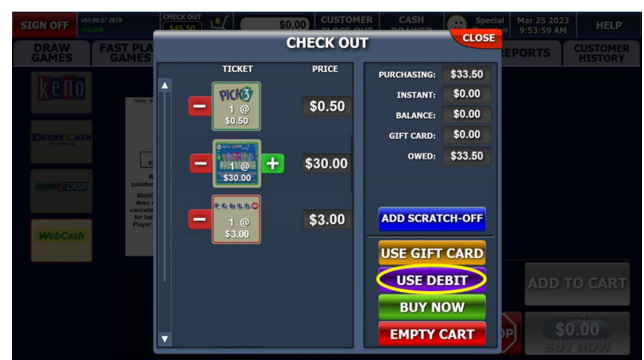

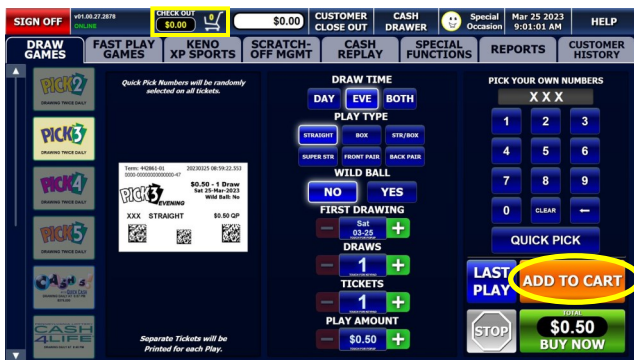

- Sign up and fund their account at palottery.com and receive their card 10 days after funding.
- Use Debit and Credit Cards, as well as a bank account, to fund their PA Lottery Play+ card.
- Use the prepaid card wherever Discover® is accepted and withdraw cash at ATMs nationwide.
- Pay for Scratch-Offs and Draw Games using the PA Lottery Play+ card at any PA Lottery retailer with a debit PIN pad.
- Access their Play+ account information online at myplayplus.mycardplace.com.
- Note: Unlike PA Lottery Gift Cards, retailers cannot use the WAVE 8 terminal to check the balance of a PA Lottery Play+ prepaid card. Players can check their balance via their Play+ online account.

How to Process PA Lottery Play+ Cards on the WAVE 8 Terminal

PA Lottery Play+ cards are processed just like Debit Cards. Process Draw Games as normal, and when players are ready to pay:

- Select **[ADD TO CART]** (bottom-right of the WAVE 8 screen).
- Select **[CHECK OUT]** at the top-left of the screen. This will bring up the Shopping Cart for the player to Check Out with their items.
- If a player is requesting to add tickets at this point, choose:
 - **[Close]** – This takes you back to the screen you were previously on before opening the Shopping Cart. Select the desired games to be added to the cart using the same **[ADD TO CART]** icon.

For Terminal or Communication Issues, please call 1-800-692-7353

How to Process PA Lottery Play+ Cards on the Wave 8 Terminal

- **[ADD SCRATCH-OFF]** – The terminal will prompt you to either scan the long barcode on the back of the Scratch-Off ticket using the barcode reader or enter the 14-digit code manually.
 - Select **[ENTER]** if manually entering the 14-digit code.
 - Select **[DONE]** when you are finished adding all Scratch-Off tickets.
- Select **[DEBIT CARD]**.
- A Debit Card pop-up will display in which the WAVE 8 will prompt the player to use the PIN pad. If successful, a receipt will print and a “transaction summary” message will display showing that the payment process is complete.

Debit Reports

Purchases made using a PA Lottery Play+ Card are displayed just like any other card transaction. The following reports show the total number and amount of card transactions for the associated time period:
